The bonus points will be credited to your Membership Rewards[®] account 6-8 weeks after you have met the purchase requirement. Offer limited to 75,000 bonus points per card account. Offer may not be combined with any other promotional offers. Eligible purchases are purchases of goods and services minus returns and other credits, and do not include fees or interest charges, cash advances, purchases of traveler's checks, purchases or reloading of reloadable pre-paid cards, or purchases of other cash equivalents. Membership Rewards program terms and conditions apply.

2 With your Business Gold Rewards Card from American Express, you earn one Membership Rewards[®] point for each dollar of eligible purchases. For the first \$100,000 in eligible spending in each calendar year in each of the four categories specified below, you can earn additional points for each dollar of eligible purchases, as follows: (1) 2 additional points (for a total of 3 points) for airfare on a scheduled flight charged directly with passenger airlines (charter flights and private jet flights are excluded); (2) 1 additional point (for a total of 2 points) for advertising purchased in the U.S. to promote your business online, on television, or on the radio; (3) 1 additional point (for a total of 2 points) for gasoline at gas stations located in the U.S. (superstores, supermarkets and warehouse clubs that sell gasoline are not considered gas stations); and (4) 1 additional point (for a total of 2 points) for shipping services purchased in the U.S. for courier, postal, and freight.

Eligible purchases in excess of \$100,000 in the applicable category in a calendar year will not earn additional points. Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, balance transfers, cash advances, purchases of travelers checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents. Additional terms and restrictions apply. Merchants are assigned codes based on what they primarily sell. A purchase will not earn additional points if the merchant's code is not eligible. Purchases made through a third-party payment account or on an online marketplace (with multiple retailers) will not earn additional points. A purchase may not earn additional points if the merchant submits the purchase using a mobile or wireless card reader or if you use a mobile or digital wallet.
